

Cyber Defense Labs

The task was to combine existing branding with the new “industrial” design of the office.

Application: Front Reception

First impressions

Application: Kitchen

Company meetings are held in this multi-purpose area. Clients are treated to the coffee bar here.

Application: Conference Rooms
Mission and promise statements need to be communicated both to clients and employees.

Application: Hallway
The company wants its core values lived out. And as a reminder, they are on the wall for daily reference.

Application: Hallway to main conference room
The company wants clients to know its vision for the future.
